

Fall Weekends 2012

Appalachian Mountain Club

Fall weekends represent a fantastic way to introduce folks to the magic of Three Mile Island. Many summer campers like to return for a much-needed second dose. The atmosphere is relaxed and the weather is often superb. "Veteran Croo" members staff the weekends; they're thrilled to be back on TMI and bring high levels of enthusiasm. The weekends are quasi full-service. The only real differences in the fall are that the lake is less crowded, the island is only open to 70 campers, you carry your own baggage, and you bring your own bedding and towels. It's a great way to take the sting out of the end of another summer. Make sure you let us know of any special needs you may have. The island is rocky, but we have cabins for handicapped persons. If you have dietary restrictions, please let us know that as well. You can always use the back of this sheet for special details.

Each weekend includes three meals on Saturday, and breakfast and lunch on Sunday, as well as canoe, kayak, and sailboat use. Of course, there is an extra day included for Labor Day weekend. Bring sleeping bags, pillow cases, towels, and flashlights. Children under 4 years of age and pets are not permitted. Meet the launch at Shep Brown's Boat Basin on Lovejoy Sands Road in Meredith, NH on Friday at 8:30 p.m. or Saturday at 9:00 a.m., and return Sunday afternoon after lunch.

The 2012 Fall Weekend rate is \$139 per person (\$212 per person Labor Day weekend). Payment in full is due with your reservation. There is a \$20 surcharge for non-AMC members. Each member of your party must provide their AMC membership numbers in order to receive the member rate. Fall weekend payments are refundable for cancellations received prior to 45 days of scheduled arrival, minus a \$25 per person processing fee.

The earliest date for mailing in your reservation is **January 1, 2012**. All reservation requests postmarked between Jan. 1 – Feb. 1 will be given equal opportunity in the lottery. Please include a self-addressed stamped envelope with your application.
